Name _____ Address _____

City _____ State _____ Zip Code _____ Telephone _____

Employer name & city _____

Please check the statement that applies to you: _____ This is my first time testing. _____ I'm testing because my license expired.

_____ I am retesting because of test failure _____ I am currently licensed and I am testing in additional categories.

To become a Certified Commercial Pesticide Applicator, applicants must pass both the General Standards Exam and at least one major Category Exam. Applicants taking the Category 37 (Antimicrobial) Exam and the Category 39 (Antifouling Paints) Exam are exempt from the General Standards Exam. Major categories are listed on the back of this sheet.

Directions to Testing Locations

For directions to the Tifton Testing Location visit: <http://www.ugatiftonconference.org>

For directions to the Savannah Testing Location visit:

For directions to the Martinez Testing Location visit: <http://www.savannahrapids.com/srp-map.html>

For directions to the Brunswick Testing Location visit: http://www.cgcc.edu/dir_brun.html

For directions to the Albany Testing Location visit:

<http://www.albanytech.org/main.cfm?action=pages&PageID=52#albanycampus>

For directions to other locations contact the Georgia Department of Agriculture at (404) 656-9373

FEES

A fee of \$25.00 will be collected from each applicant (except government employees) on test days after applicants hand in tests. Only money orders or checks made out to the Georgia Department of Agriculture will be accepted. **Cash will not be accepted.** Checks made out for more than \$25.00 will not be accepted. Fees will be returned if the applicant does not pass the General Standard exam and/or a Major Category exam. Applicants will be required to show a picture ID upon handing in tests.

TEST FAILURE

If an applicant passes one test and fails the other, the applicant is only required to re-take the test he or she failed. Passing grades will be maintained by the Georgia Department of Agriculture for one year only unless a license is issued. No exceptions will be made. Applicants will not be permitted to test more than two times in a sixth-month period. After failing the same test twice, the applicant must wait six months before he/she is permitted to test again. No exceptions will be made.

LICENSE

Upon passing all required tests, a 5-year license will be mailed to the applicant. The applicant is then responsible for obtaining the required amount of Continuing Education hours ninety days prior to the expiration of the 5-year license. If all of the required amounts of Continuing Education hours are not turned in ninety days prior to the license expiration date, the applicant must test again. Information about Continuing Education seminars and workshops is available from County Extension Agents as well as on the Department of Agriculture Pesticide Division web site found at:

http://www.agr.state.ga.us/html/pesticide_division.html.

Those applicators certified in a Sub-Category are not required to maintain Continuing Education hours for those Sub-Categories. Sub-Categories are indicated by a double asterisk (**) on the back of this sheet.

STUDY MATERIALS AND TRAINING AVAILABLE

Study materials are available through the Cooperative Extension Service by filling out and mailing in the form on the back of this sheet. Training is now available statewide through the County Extension Service. You can now have the exam review by checking out a training video from your County Extension Agent’s office. Call your County Extension Agent and ask to check out the “Commercial Pesticide Review of General Standards and Category 24, Ornamental and Turf” video. To find out whom your County Extension Agent is and where there office is located, look in the front of the Yellow Pages or visit www.ces.uga.edu.

Please fill out and send in the form on the back of this sheet for Examination Registration.
You will not receive verification of registration.
